FOUNDATION RELAUNCHED

OVER 50 DONORS ATTENDED THE RECENT AMA QUEENSLAND FOUNDATION'S THANK YOU TO DONORS EVENT AT MACQUARIE BANK'S LUXURIOUS QUEEN STREET OFFICES.

During the delightful evening, the AMA Queensland Foundation was officially relaunched and the new interactive website was previewed. Foundation President Dr Steve Hambleton said "The Foundation succinctly is about: doctors doing good. And through your donation and support — some dating back to the very beginning — can our achievements continue to be realised". He also reminded guests about the Foundation's continued "long term commitment to addressing those 'cracks' in the public health system that otherwise leave patients – particularly Queenslanders – at a disadvantage".

Foundation Patron, Tim Fairfax AM and his wife Gina enjoyed chatting to the guests about the many successes of the Foundation.

The Foundation would like to take this opportunity to thank Ross Noye and Macquarie Bank for providing the complimentary venue. The view over the Brisbane River and their art collection provided a magnificent backdrop for the event.

To keep up to date with our activities, please have a look at our exciting new website www.amaqfoundation.com.au or contact Colleen Harper, Foundation Manager on c.harper@amaq.com.au or (07) 3872 2204.
